6. Cultivars whose names are not listed in the AHS checklists or supplements may not be exhibited in any Division, Section, Class or Group where registered cultivars are specified.
7. Popularity Poll cultivars must be exhibited only in Section 9 unless they are Youth exhibits.
8. Unusual form cultivars, registered as such, must be entered in Section 7 and only those listed on the official UF list may be entered in Section 7 unless they are: (1) a Popularity Poll exhibit, (2) part of a local collection, (3) a Youth Section exhibit, or (4) registered as a multiform cultivar. (Refer to Multiform Classification Code on pages 3-4 of this schedule.)
9. Exhibitors who have never won a blue ribbon in a Horticulture Section of an AHS accredited show are eligible to compete for the Novice Award. The exhibitors must indicate their eligibility by writing in and circling the letter N at the top left side of the entry tag.

## Judging Standards for Accredited Show

1. All judging of an accredited show will employ AHS Standards.
2. All horticulture sections must be judged by AHS Exhibition Judges.
3. Each panel of judges shall be the final authority for each section and group in which it judges.
4. Only the Classification Chair has the authority to disqualify any entry that is damaged or does not conform to the schedule.
5. The appropriate AHS Scale of Points will be used for (1) Registered cultivars on-scape, (2) Seedlings on-scape, and (3) Individual flowers of registered cultivars off-scape.
6. The AHS standard system of awards will be used.
7. All scapes receiving the AHS Rosettes or purple ribbons must score 95 or above by the AHS scale of points.
8. Registered cultivars will be classified as registered, by size, and by form; they will be grouped alphabetically within each section. No distinction is to be made between the classification of diploids and tetraploids.
9. Each registered cultivar shall constitute a name class. A single entry may be given an award if the judges consider it a superior exhibit. An exhibitor may have only one entry per name class.
10. Each seedling or pre-registered cultivar (a pre-registered cultivar is considered a seedling) shall constitute a class to be judged on individual merit. Each entry may be given an award if the judges consider it a superior exhibit.
11. If Division I, AHS Rosette eligible Sections 1-10, are subdivided or judged by more than one panel of judges, the purple awards must be point scored to determine a single winner since there is only one AHS rosette for each of these Sections.

## Tabulation

1. The Tabulation Committee keeps the show records and determines the Sweepstakes winner.

## Multiform Classification Code for Shows

Before 2008, polymerous flowers were exhibited in the corresponding single-flower sections by size. Even though these and multiform flowers are relatively few in numbers, they and multiform flowers are now exhibited as indicated on the next page. In order to assist Classification Chairs in determining where to place them in a show, a Multiform Classification Code has been designed. A show section may be subdivided into classes if enough cultivars are entered to warrant it.

## AHS Award of Appreciation

The AHS Award of Appreciation, a rosette, may be given at the discretion of the local show committee, not the judges, to one or more of the non-competitive exhibits in Division III to show appreciation for the significant efforts involved.

## Local Awards

- King of the Show.* The Metropolitan Columbus Daylily Society will award a gift certificate for runner-up to the Best-in-Show of Division I, Sections 1-10.
- Novice Award.* The Metropolitan Columbus Daylily Society will award a gift certificate to the novice exhibiting the best horticulture entry, Division I, Sections 1 through 10. (See Horticulture Rule 9.)
- People's Choice Award.* Visitors to the show will be asked to vote by ballot for the on-scape and off-scape daylily they like best. The exhibitors of the cultivars receiving the highest number of votes will receive a gift certificate. Any gift certificate award may be forfeited and applied toward AHS membership.

# AHS Standard System of Awards

Judging of each cultivar in each class shall be done by following the American Hemerocallis Society Standard System of Awards:

- One First (Blue) scores 90 or above.
- One Second (Red) scores 85 or above.
- One Third (Yellow) scores 80 or above.

For registered cultivars, only one blue, one red, and one yellow may be awarded in a given name class. For seedlings, each exhibit in the section is judged on its own merit and is thus an award-eligible class.

## Major Awards

The *AHS Purple Award* is awarded to each blue ribbon winner scoring 95 points or above in Sections 1 through 10 of Division I.

The *AHS Section Rosettes* are awarded to the most outstanding purple ribbon winning entry in Sections 1 through 10 of Division I.

The *AHS Best-in-Show Rosette* and a prize from the Metropolitan Columbus Daylily Society are awarded to the best of the AHS Rosette winners of Sections 1 through 10 of Division I.

The *AHS Sweepstakes Rosette* is awarded to the exhibitor winning the most blue ribbons in Division I, Sections 1 through 10. In the event of a tie, purple ribbons will be counted. If a tie should still exist, red, then yellow ribbons will be counted.

The *AHS Tricolor Rosette* is awarded to the best design in Division IV, Section 1, scoring 95 points or more. This entry qualifies to compete nationally for the AHS Tricolor Medal.

## Special Horticulture Division Awards

The *AHS Achievement Medal* will be awarded to the originator of each entry of 3 scapes of a single seedling, severed as close to the base as possible, in Division I, Section 11, scoring an average of 90 or more points, and which, in the opinion of the judges, shows adequate merit and distinctiveness as compared with existing cultivars. The cultivar must be a seedling or pre-registered (a pre-registered cultivar is considered a seedling). Entries must be entered by number as assigned by the Classification Committee. Each of the judges on the panel assigned to judge the entries will point score each scape individually. The score sheets will be returned to the General Show Chair and Tabulation Committee Chair who will tabulate the scores. Scores will NOT be official until they have been verified by the AHS Exhibition Chair or the Exhibitions Committee.

The *Ophelia Taylor Horticultural Award* is awarded to every 5-scape entry in Division I, Section 12 that scores 95 or more points per scape for the 5-scape entry. The score sheets will be returned to the General Show Chair and Tabulation Committee Chair who will tabulate the scores. Scores will NOT be official until they have been verified by the AHS Exhibitions Chair or the Exhibitions Committee.

It is recommended that the Classification and Tabulation committees use the AHS Online Registration Database to classify each registered cultivar by typing the cultivar name into the “Advanced Search” Screen of the database. The appropriate Horticulture Division I and II show sections will be shown automatically. This will make classification and placement of any registered cultivar easy and almost foolproof. A complete list of multiform-registered cultivars will be made available to each show and classification chair.

## Division II: Horticulture Off-Scape

- Individual flowers severed from the scape will be exhibited by color.
- Registered cultivars including registered polymerous, multiform, and unusual forms in Section 1.
- Flowers of seedlings or pre-registered cultivars may be exhibited in Section 2.
- Not eligible for AHS rosettes and medals.
- Entries are for display only and will not be judged.  
A People’s Choice ballot will be available for visitors to choose favorites. One winner in each section will be given an MCDS gift certificate.
