Sponsored by the Metropolitan Columbus Daylily Society and the Serendipity Garden Club

A Small Standard Flower Show Accredited by the American Hemerocallis Society

M. 'Orange Splash' (Gossard, 2006)

General Show Rules

1. Exhibition is open to all daylily growers. Horticultural entries must have been grown, groomed, and entered by exhibitor(s). Entries may not be entered by anyone not at the same physical address as the owner/grower of the daylily. (Exhibitors may not ask anyone to enter their flowers for them.) Entries are limited to 20 scapes.
2. Only AHS members are eligible to win AHS Rosettes and other society sponsored awards. However, they may be new members who join at the show.
3. All on-scape entries will be received (checked by Classification Committee) between the hours of 7:00 AM and 10:45 AM in Room C-D at Franklin Park Conservatory. Access to the Conservatory is through the North side door beside the Hot Shop and through the Employees' Entrance door. Late entries, arriving after 10:45 AM (acknowledged by Classifications) may be entered FOR DISPLAY ONLY and will not be judged. Entries will not be placed in the display area after 11:00 AM.
4. Off-scape entries will be received up to the opening of the show at noon.
5. No entry may be removed before 5:00 PM, and exhibits not removed by 5:30 PM will be discarded. Ribbons and other awards, if not claimed at this time, will be made available at a later date upon request.
6. Uniform containers and official AHS entry tags will be furnished by the Metropolitan Columbus Daylily Society.
7. Only members of the Placement Committee are permitted to place entries in the display area.
8. All Judging will begin promptly at 11:00 AM. Only Judges, Clerks, General Show Chair, Judges Chair, Classification Chair, and the Photographer will be allowed in the exhibition area during judging.
9. Show officials and the Metropolitan Columbus Daylily Society will exercise all precaution for protecting exhibits, but neither they nor Franklin Park Conservatory will be responsible for any loss or damage that may occur.

Horticulture Rules

1. All horticulture exhibits eligible for AHS rosettes and medals must be entered on-scape.
2. The Committee recommends that all registered cultivars are to be entered on scapes not exceeding 36 inches. However, the exhibitor may choose to enter a taller scape proportionate to its branching or bloom size. All exhibits must be balanced and stable in the container to prevent damage to other entries.
3. All seedlings (including pre-registered cultivars) shall be severed as close to the base as possible, regardless of height. If the height of the seedling makes transport difficult, if not impossible, the exhibitor may trim the excess scape height, preserving the cut portion of the scape. The cut portion of the scape must then be placed alongside the base of the container holding the entry.
4. A seedling having won the AHS Rosette in any other show is not eligible.
5. Entry tags for seedlings must be marked with the word SEEDLING in the space for cultivar name. Names, numbers or any other identifying marks are not permitted on the visible portion of the folded tag.

Judging Standards for Accredited Show

1. All judging of an accredited show will employ AHS Standards.
2. All horticulture sections must be judged by AHS Exhibition Judges.
3. Each panel of judges shall be the final authority for each section and group in which it judges.
4. Only the Classification Chair has the authority to disqualify any entry that is damaged or does not conform to the schedule.
5. The appropriate AHS Scale of Points will be used for (1) Registered cultivars on-scape, (2) Seedlings on-scape, and (3) Individual flowers of registered cultivars off-scape.
6. The AHS standard system of awards will be used.
7. All scapes receiving the AHS Rosettes or purple ribbons must score 95 or above by the AHS scale of points.
8. Registered cultivars will be classified as registered, by size, and by form; they will be grouped alphabetically within each section. No distinction is to be made between the classification of diploids and tetraploids.

9. Each registered cultivar shall constitute a name class. A single entry may be given an award if the judges consider it a superior exhibit. An exhibitor may have only one entry per name class.
10. Each seedling or pre-registered cultivar (a pre-registered cultivar is considered a seedling) shall constitute a class to be judged on individual merit. Each entry may be given an award if the judges consider it a superior exhibit.
11. If Division I, AHS Rosette eligible Sections 1-10, are subdivided or judged by more than one panel of judges, the purple awards must be point scored to determine a single winner since there is only one AHS rosette for each of these Sections.

Local Awards

King of the Show. The Metropolitan Columbus Daylily Society will award a gift certificate for runner-up to the Best-in-Show of Division I, Sections 1-10.

Novice Award. Exhibitors who have never won a blue ribbon in a Horticulture Section of an AHS accredited show are eligible to compete for the Novice Award. The Metropolitan Columbus Daylily Society will award a gift certificate to the novice exhibiting the best horticulture entry, Division I, Sections 1 through 10.

AHS Standard System of Awards

Judging of each cultivar in each class shall be done by following the American Hemerocallis Society Standard System of Awards:

- One First (Blue) scores 90 or above.
- One Second (Red) scores 85 or above.
- One Third (Yellow) scores 80 or above.

For registered cultivars, only one blue, one red, and one yellow may be awarded in a given name class. For seedlings, each exhibit in the section is judged on its own merit and is thus an award-eligible class.

Major Awards

The *AHS Purple Award* is awarded to each blue ribbon winner scoring 95 points or above in Sections 1 through 10 of Division I.

The *AHS Section Rosettes* are awarded to the most outstanding purple ribbon winning entry in Sections 1 through 10 of Division I.

The *AHS Best-in-Show Rosette* and a prize from the Metropolitan Columbus Daylily Society are awarded to the best of the AHS Rosette winners of Sections 1 through 10 of Division I.

The *AHS Sweepstakes Rosette* is awarded to the exhibitor winning the most blue ribbons in Division I, Sections 1 through 10. In the event of a tie, purple ribbons will be counted. If a tie should still exist, red, then yellow ribbons will be counted.

The *AHS Tricolor Rosette* is awarded to the best design in Division IV, Section 1, scoring 95 points or more. This entry qualifies to compete nationally for the AHS Tricolor Medal.

Special Horticulture Division Awards

The *AHS Achievement Medal* will be awarded to the originator of each entry of 3 different seedling scapes in Division I, Section 11, scoring an average of 90 points or more, and which, in the opinion of the judges, shows adequate merit and distinctiveness as compared with existing cultivars. Entries must be entered by number as assigned by the Classification Committee. Each of the judges on the panel assigned to judge the entries will point score each scape individually. The score sheets will be returned to the General Show Chair and Tabulation Committee Chair who will tabulate the scores. Scores will NOT be official until they have been verified by the AHS Exhibition Chair or the Exhibitions Committee.

The *Ophelia Taylor Horticultural Award* is awarded to every 5-scape entry in Division I, Section 12 that scores 95 or more points per scape for the 5-scape entry. The score sheets will be returned to the General Show Chair and Tabulation Committee Chair who will tabulate the scores. Scores will NOT be official until they have been verified by the AHS Exhibitions Chair or the Exhibitions Committee.

Multiform Classification Code for Shows

To assist Classification chairs in determining where to place polymerous and multiform flowers, use the Multiform Classification Code shown indicated below.

Registered as:	Place in Show Section:
Double/SpiderFlowers	Double, Polymerous, and Multiform Flowers
Double/Unusual Form Flowers	Double, Polymerous, and Multiform Flowers
Double/Polymerous Flowers	Double, Polymerous, and Multiform Flowers
Double/Spider/Unusual Form Flowers	Double, Polymerous, and Multiform Flowers
Double/Spider/Polymerous Flowers	Double, Polymerous, and Multiform Flowers
Double/Unusual Form/Polymerous Flowers	Double, Polymerous, and Multiform Flowers

Spider/Polymerous Flowers	Double, Polymerous, and Multiform Flowers
Unusual Form/Polymerous Flowers	Double, Polymerous, and Multiform Flowers
Polymerous Flowers	Double, Polymerous, and Multiform Flowers

It is recommended that the Classification and Tabulation committees use the AHS Online Registration Database to classify each registered cultivar by typing the cultivar name into the "Advanced Search" Screen of the database. The appropriate Horticulture Division I and II show sections will be shown automatically. This will make classification and placement of any registered cultivar easy and almost foolproof. A complete list of multiform-registered cultivars will be made available to each show and classification chair.

Division II: Horticulture Off-Scape

- Individual flowers severed from the scape will be exhibited.
- Only registered cultivars including polymerous, multiform, and unusual forms will be displayed. Seedlings may not be displayed.
- Not eligible for AHS rosettes and medals.
- Entries are for display only and will not be judged. A People's Choice ballot will be available for visitors to choose favorites. Exhibitors of the top three favorites will be given an MCDS gift certificate.
