#### Northern Mecca Garden Tour & Picnic

July 6-8, 2018  
See information on website

#### Saturday, August 11, 2018

MCDS Sale, 10:00 A.M. to noon  
Meeting, & Auction, 1:00 P.M.

#### Shirley Farmer Fall Meeting, Dayton

Saturday, November 3, 2018

#### Sunday, November 4, 2018

MCDS Fall Meeting  
2:00 P.M. in Veridian Room  
Speaker: TBA

#### Sunday, December 2, 2018

Holiday Luncheon

### President's Message

Spring has arrived again in central Ohio with its own brand of craziness! I woke today to snow on the ground and tomorrow is going to be 70 degrees. You just never know what will be popping up today, tomorrow or next week. I peeked around the garage yesterday and saw a cluster of bright yellow daffodils in full bloom. What a blessing of beauty on a blustery day!

Speaking of blessings, we at MCDS are blessed with one of the largest clubs in Ohio which is brimming with extraordinary members who span the range of experience from newcomer to seasoned gardener to master gardener to experienced and celebrated hybridizers. I believe it is time for everyone to benefit from this deep well of knowledge!

This year we would like to institute some new and exciting volunteer opportunities for our members. Some of our newer members may not be aware of all of the opportunities available. The club would like to put a call out to all of our members to help with something this year, whether you have been doing it for years, or just want to try something new, we've got you covered!

We are looking for members to be meeting greeters, welcoming all members and attenders to each event that we hold. I can think of a few of our Charter members who have a great smile, a warm handshake and a ready answer to any question a new attendee might have about our wonderful club. Or maybe you really just like to get your hands down in the dirt to help dig, wash or tag daylilies for our sales or in the display gardens. The sale is approaching quickly!

Okay, I hear someone out there saying, "No, not me. My talents run more towards the administrative side of things." Have I got an opportunity for you!

Opportunities for volunteerism are growing as our club grows. Your personal club experience is only as good as the amount you are willing to get involved! The more involved you become, the more you are going to love coming together for our meetings and outings. Greeters, show chairman, cashiers, counters, judges, clerks, clean-up crews for events, bus trip organizer, special projects or events manager, youth advisor/captain to bring in younger members, the list is evolving. If you have held a position in the past, I may be calling on you to help develop a "job description" for each area of service.

Perhaps you don't need to wait for the rally call, you know what you want to help with right now...feel free to call or email any of the club officers. We will get you pointed in the right direction.

### We Welcome Our New Members

Matt Brown  
Dorie Kirwin

See you at the Sale!  
Blessings, Becky

## William Johannes

by Charles Lucius

On February 7, 2018, long-time MCDS member and daylily enthusiast Bill Johannes died unexpectedly while returning from a Florida/Caribbean vacation. Bill was active at the local, regional, and national daylily levels, where he and his wife Gail attended meetings and conventions, participated in various events, and volunteered their time to fill many needed roles.

Bill and Gail maintained a beautiful garden with more than 600 different daylily varieties at their Marble Cliff home. They enjoyed inviting guests from their neighborhood (and elsewhere) to share the summer beauty with them. Although their garden showcased the Johannes' daylily collection, Bill loved gardening in general, and he grew many interesting garden plants to complement the daylilies. In the winter months, he enjoyed "indoor gardening" with a large collection of amaryllises.

Bill's commitment to service, and his volunteered time, expertise, and experience positively impacted MCDS in many ways over the years. Bill was instrumental in implementing the sound financial practices that led to MCDS's fiscal stability. He played important leadership roles when MCDS hosted the Region 2 Summer Meeting, and he was the editor responsible for the excellent handbook associated with the MCDS-hosted 2012 National Convention. Bill also implemented the email communication system used to keep MCDS club members informed of upcoming meetings and events.

Bill himself worked hard to prepare for the MCDS annual daylily flower show and, although he took pride in his frequent success during the judging process, he was one of the first to congratulate other winners at the show, even when their success came at his expense. In recent years, Bill and Gail spent many hours selecting, ordering, and preparing daylilies for the MCDS guest plants. Bill was rightfully pleased with the organization and success he brought to this MCDS process. But his greatest joy came during the plant give-away process. Bill would literally beam when he announced each individual plant and the club member selected to grow the daylily – he was overjoyed that others were going to enjoy his prized selections.

Most of us will best remember Bill for his joyful and gracious disposition and his genuine love for people. Bill was always quick to greet everyone – long-time friend and new club member alike – with a big smile, a firm handshake or hug, and a sincerely warm greeting. He made everyone feel welcome, and he was quick to compliment and encourage others. Even his club-wide email messages reflected the joy he brought to every part of life.

We are going to miss Bill. But whenever we as MCDS members are friendly, welcoming, inclusive, gracious, and generous, we will continue Bill's positive legacy.

Bill Johannes and Karen Ciula promoting MCDS

Bill's Holiday Party hat

## GUEST PLANTS DUE BACK FOR AUCTION

One of our favorite club activities will be held Sunday, April 29, the Spring plant auction. Since “all sales are final” at our member auctions, it is absolutely necessary that members BE VERY CAREFUL TO DIG THE CORRECT GUEST PLANT(S). DON’T GUESS! We want our buyers and your friends to be confident that they are buying a cultivar true to name. The plants due back for auction include those passed out in Spring, 2015 as well as cultivars not returned to previous auctions. If your name appears on the list, get out your shovel and dig the listed guest plant(s). The plant markers will have “MCDS SPRING 2018” on them. After digging:

- Thoroughly wash all dirt off (DO NOT POT THE FANS)
- Trim the foliage to approximately 8”
- Separate the fans. 2 small fans may be rubber-banded together.
- Tag each fan and write the cultivar name AND YOUR NAME on each tag.

You should dig your guest plant even if it has only increased to 2 fans. Keep one fan for your garden and return all other fans. If you can’t bring your plants back personally, send them with another club member. If you know someone on the list who is no longer a member, please offer to bring their plants back to the auction for them. If your plant has died or not increased to 2 fans, please call Gail Johannes at 614-486-7962 and let her know. Or you can e-mail her at [1964marble@gmail.com](mailto:1964marble@gmail.com) ! That way, our auction list and slideshow will be as accurate as possible.

**Metropolitan Columbus Daylily Society (MCDS) Meeting Minutes**

**February 4, 2018**

New president Rebecca Stickel introduced herself and opened the February meeting of the MCDS in the Veridian Room of Franklin Park Conservatory. She noted that there was a quorum present to conduct business. Prior to the meeting a plant sale was conducted for plants that will be thinned from the Conservatory daylily beds.

**Secretary's Report**

Becky asked for a motion to approve minutes from the December meeting. Patti Spahr Hitt so moved, seconded by Dick Henley. Minutes were approved as e-mailed (a correction that had been noted was not in the minutes, but in a subsequent article in the newsletter.)

**Treasurer's Report**

Treasurer Gary Stickel provided copies of the 2017 Treasurer's Report Summary to those in attendance. After handing out the reports, Gary reviewed several of the items. Gary mentioned that there are presently 149 paid memberships. Due to this decrease in membership, total income was down. Expenses were up slightly due to increased charges for speakers. The club spent considerably less than budgeted for 2017 drawing plants.

Gary reviewed activity regarding the AHS convention reimbursements as follows: There were 10 recipients of reimbursements in 2017. To-date, 23 individuals have received the maximum 2 reimbursements, 22 individuals have received reimbursement once. (The membership voted at the November meeting to extend this program an additional year, as there are still funds available.)

Gary reviewed activity regarding the scholarship fund as follows: There were 6 recipients submitting grades for the 2017-2018 school year – five for \$500.00 and one for \$800.00. June 1 is the deadline for new applicants – and two applications have been received to date. Wally Thomen has resigned from the committee so that a relative might apply for the scholarship.

Mike Anders moved to accept the 2017 Financial Statement as presented. Mike Oatney seconded – motion passed.

**New Business**

Becky thanked Fred Blythe and Naomi Hatfield for organizing refreshments. Becky reminded the membership that the April meeting will be Sunday, April 29<sup>th</sup> at 1:30 p.m. The date and time had to be changed due to a conflict with another conservatory activity.

Becky provided slides detailing upcoming events, including the Region 2 Winter Symposium and the Summer National Convention (June 6-9.)

Karen Ciula announced that on Wednesday, February 21 there will be a panel of individuals from area garden clubs speaking about their respective clubs at the Home and Garden Show. Each speaker gets 4 minutes, and a question and answer session will follow. Karen will be presenting a talk on daylilies and the MCDS, and Beth Veldey will be presenting a talk on hosta and the Central Ohio Hosta Society. Tom Wood will be the moderator. Karen should be receiving some free passes to the Home and Garden Show – which will be available for anyone interested - until they run out.

Karen next talked about our upcoming daylily show on July 1<sup>st</sup> – titled "Rainbow Connection." Karen needs volunteers – especially a clerk chair, and someone to pick up and deliver lunch for the volunteers.

Becky again thanked Beth Veldey and Bob Faulkner for their past service to the MCDS.

Becky then announced that Bob Selman would be auctioning his 2017 and 2018 introductions at the end of his program. Bob is graciously giving half of the proceeds to MCDS. Starting bids on most plants will be \$40.00.

There being no other business – Dick Henley moved to adjourn the meeting at 2:20 p.m. – seconded by Mike Oatney. After a break for refreshments, those in attendance were treated to a program by Bob Selman of Blue Ridge Daylilies, and then the auction of his 2017 and 2018 introductions.

Respectfully submitted,

Debby Colvin, Secretary

## **Flag City Daylily Tour designated as the first AHS Daylily Ambassador**

by Mike Anders, Findlay, OH

In 2016, Ann Brickner, Sharon DeCooman, and I began mulling around the idea of having some sort of tour that would feature some of the numerous daylily gardens in and around Findlay, Ohio, a.k.a. Flag City USA. In July of that year we held our first Flag City Daylily Tour with six area gardens that also included the gardens of Sharon Hammer-Baker, Keith McClelland, and Linda Spahr. We were rather surprised at the high attendance. Even though we did not keep accurate records, our estimated attendance was over 400. We immediately began planning for a second tour in 2017.

In January 2017, then AHS president Nikki Schmith posted on the Email Robin a list of fifteen AHS projects that were on her plate for the coming year. The second item on her agenda was: “A Special Committee to review and recommend a fresh start to the Daylily City program has been convened at my request. Past AHS President Ken Cobb [from Raleigh, NC] and current Region 4 Director Melodye Campbell [from Fairport, NY] are leading this committee. We would like to make this a more accessible designation, broaden the scope and change the general intent.”

After several weeks of online discussions, the committee constructed a mission statement for a new program that, once awarded, would continue its recognition for years to come. The statement reads, “The AHS Daylily Ambassador program is to recognize and celebrate the accomplishments of those people (clubs, organizations, communities or groups of individuals) – AHS members or not – that make an extraordinary effort to promote daylilies to the general public.”

In the meantime, while this new program was being presented for approval by the governing body of AHS, Ann, Sharon, and I began to plan for the second Flag City Daylily Tour for July 2017. After the previous year’s success, we decided to submit a grant proposal to the Findlay-Hancock County Convention & Visitors Bureau for helping to offset the costs of advertising. We were awarded a “Connect Grant” in the amount of \$500 to be used for marketing and advertising. For 2017 we again featured six gardens: our three, McClelland’s, and the two additional gardens of Sue Karsnak, and Rick Kidwell.

For 2017 we kept much better records and were able to document that there were 545 people from Ohio and ten others states and Canada that attended the tour. 203 of those persons were from 37 of the 88 counties in Ohio.

For the 2018 tour, we again have been awarded a generous grant from the Findlay-Hancock County Convention & Visitors Bureau for marketing and advertising. The 3<sup>rd</sup> annual tour will again feature six gardens: those of Anders, Brickner, DeCooman, McClelland, Linda Spahr, and a “beginning” daylily gardener, Richard Hopkins. The dates are Friday through Sunday, July 6-8.

Early in January of this year, Melodye Campbell sent me several questions about the 2017 Flag City Daylily Tour, and mentioned, based on our previous conversations about the tour, she had nominated the Flag City Daylily Tour to be an AHS Daylily Ambassador. On January 22, we received official word from Melodye that the Flag City Daylily Tour has been named the first official AHS Daylily Ambassador and that all nine gardeners that have participated in the tour will be given a certificate of recognition. Melodye and the new AHS president, Judie Branson, both plan to be in attendance at the tour to present the certificates to the gardeners. Needless to say, all of the gardeners that have been a part of the Flag City Daylily Tour are extremely honored by this recognition.

## First-Time Visit to the Region 2 Winter Symposium

by Debby Colvin

Cathy Redenbarger and I recently traveled to Indianapolis, Indiana to attend our first AHS Region 2 Winter Symposium. Several other members of our club were also in attendance, including many of our regional hybridizers. (As a reminder, our region is comprised of clubs in Illinois, Indiana, Michigan, Ohio, and Wisconsin.) This year's Winter Meeting was especially important, as our region will not be having a Summer Meeting. Election of officers is normally conducted at the Summer Meeting, as well as garden and exhibition judge training. This year's slate of officers was announced at this winter's business meeting. The ballot will be printed in the next newsletter, and completed ballots will go the Regional Publicity Director for tallying. Also during the business meeting, the new procedure for the Popularity Poll was detailed, and previous winners will be moved to a permanent category called "All-Star Cultivars."

Speakers for the symposium were varied, and informative. Topics included daylilies of Gail Braunstein, Eric Simpson, Mike Grossman, Richard Norris, and Bill Waldrop; Jamie Gossard's Daylily Science; Paul Owen's "Grand European Tour of 2017;" and Teresa Byington on roses. There was also an opportunity to discuss questions at a Hybridizer's Forum, moderated by Sandy Holmes.

The symposium included a plant auction on two evenings, as well as a silent auction of items donated by Region 2 individuals. The auctions are important money-raisers for the region. There was also an interesting ice-breaker which was comprised of attendees seeking out member names for a questionnaire to earn additional raffle tickets. Those who were able to complete their sheets learned a lot of unusual non-daylily information concerning the other attendees.

On Sunday, at the completion of the symposium my sister and I took a side trip to the Indianapolis Museum of Art to tour the exhibits and have lunch at the museum's gourmet café. The museum sits on a 152-acre campus, and is one of the largest and oldest museums in the United States. Anyone planning a trip to Indianapolis should consider including a visit to the museum.

### **Renovations in the Ohio Hybridizers Historic Garden**

by Karen Ciula

Because of a need for increased security of the south dock area and the portable office trailer at Franklin Park, the Conservatory will install an extension of the wrought iron security fence, impacting two of our garden beds. Volunteers completed renovations to the previous 1980s collection, moving all of the species plants that were relocated there last year and replanting selected cultivars into the original historic bed. A relocation of one of the Moldovan beds might be necessary later this spring. We saved portions of the best of the 80s cultivars to distribute to our newest members at the April 29 meeting.
